FRYERS ROAD HOUSEHOLD WASTE SITE & TRANSFER STATION - TRANSFER OF ENVIRONMENTAL PERMIT PRE-APPLICATION REFERENCE: EPR/BB3202MJ/T001

Dear Sir/Madam,

Please find enclosed three paper copies and one electronic copy of an application for the transfer of the Environmental Permit for Fryers Road Household Waste Site & Transfer Station, Fryers Road, Leamore, Walsall, West Midlands, WS2 7LZ. The current permit reference number is EPR/GP3991FY/V004 (EAWML 42369). This application has been given the pre-application reference EPR/BB3202MJ/T001.

The application is to transfer from the current operator Kier M G Limited to SITA UK Limited. The transfer is required as SITA UK Limited have been awarded the contract to operate this facility from 1 April 2014 onwards. I would therefore like to request that the permit transfer is effective as of 1 April 2014 and the site will remain the responsibility of Kier M G Limited until this date.

The application fee of £1,950 was made by BACS transfer with the reference PSCAPPSITAU0154 on the 17 January 2014.

I look forward to receiving confirmation that the application has been duly made, but please do not hesitate to contact me with any queries, or requests for further information in support of the application.

Yours faithfully,

S Westerman
