Dear Sir or Madam,

Waste Management Licence Surrender Notification

**Aldridge Waste Transfer Station, Middlemore Lane West, Aldridge
(EAWML41312)**

With respect to the above site and proposed surrender of its Waste Management Licence, it is the intention of the Environment Agency to accept the surrender of the Waste Management Licence and formally issue a certificate of completion.

However, in accordance with Section 39 of the Environmental Protection Act 1990 and Schedule 22 section 73 of the Environment Act 1995, the Environment Agency must refer the surrender proposals to the appropriate planning authority before the surrender of a licence is accepted.

Therefore any comments you may wish to make with regard to the surrender of the above Waste Management Licence should be forwarded to me as soon as possible and in any case within 14 days of the date of this letter otherwise the proposed surrender will be formally accepted.

Should you wish to discuss the above matter please do not hesitate to contact me.

Yours sincerely,
