Mr Pitts,

There has not been any recent planning history for the site but the evidence suggests that the established and permitted use classes are B1, B2 and B8 which are the industrial and employment use classes. Should you require further information, a local history search can be ordered from the Council's Land Charges Team for £40.

The relevant contact in the Land Charges Team is Jane Kinsella.

Kind Regards,

Andrew Thompson

Subject:

Morning,

Please could you help. I work for Aspect Contracts Limited and we have an office in Aldridge, we are applying for a waste transfer station license from the Environment Agency and need to include the current planning status, could you forward to me please ?

Our office is at
Unit 8, Optical Park
Middlemore
Aldridge
WS9 8BG

If not please could you point me in the right direction.....

Regards

Danny Pitts
