

Section 7

LICENCE NO SL.39
MODIFICATION NO.1
SHEET 1 OF 3

To: The Bliss, Sand and Gravel Co., Ltd.,
30A Branton Hill Lane,
Aldridge,
Walsall,
WS9 0NS.

OTHER-2

WHEREAS on 21st June 1977 THE WEST MIDLANDS COUNTY COUNCIL granted a Waste Disposal Licence relating to land at 30A Branton Hill Lane, Aldridge, Walsall subject to the conditions set out therein.

NOTICE is HEREBY GIVEN that Walsall Metropolitan Borough Council modifies the said conditions as follows:-

Add the following conditions 35, 36, 37 and 38.

Such modifications shall take effect on 23RD DECEMBER 1989 at 0100 HRS

DATED this

21st

DAY OF

DELEMBEY

19 89

(Signed)

Director of Environmental Health
and Consumer Services

ADDITIONAL CONDITIONS FOR LANDFILL SITE AT:-
30A BRANTON HILL LANE, ALDRIDGE, WALSALL

35. Within three months of the date of issue of this modification initial monitoring shall be carried out to establish the concentrations of landfill gas at the site and its immediate environs. The results of monitoring shall be forwarded in writing to the WDA as soon as possible and in any case within one week of the expiry of the above period.
36. The extent of continuing landfill gas monitoring during subsequent tipping operations shall depend, amongst other factors, upon the results of initial monitoring referred to in condition 35. If the WDA so requires within five months of the date of issue of this modification, a scheme for the monitoring and management of landfill gas shall be submitted to the WDA for written approval. The scheme shall give details of:-
- (a) the location and specification of monitoring boreholes at the site and its immediate environs;
 - (b) the frequency of monitoring;
 - (c) the tests to be carried out during monitoring;
 - (d) the knowledge and experience in gas monitoring of the persons to carry out and supervise the tests;
 - (e) the reporting of results of monitoring to the WDA;
 - (f) measures to be implemented to control the lateral migration and emission of such gases if deemed necessary by the WDA; and
 - (g) any factors likely to influence the monitoring or control of landfill gas.
37. If within six months of the date of issue of this modification a scheme which meets with the approval of the WDA has been required but not submitted, then all tipping shall cease. No further tipping shall take place until a scheme has been submitted to and approved in writing by the WDA.
38. In this licence "landfill gas" means gas having the characteristics of gas produced as a by-product from the digestion by anaerobic bacteria of biodegradable matter present in waste deposited at landfill sites.

SITE LICENCE NO. 39
MODIFICATION NO. 1
SHEET 3 of 3

Appeals

If a licence holder is aggrieved by the decision of the Authority in modifying conditions specified in a disposal licence he may appeal to the Secretary of State in accordance with Section 10 of the Control of Pollution Act 1974. Appeals must be notified within 6 months of the date of this notice to: The Department of the Environment, (NNW2), Room A2.22, Romney House, 43 Marsham Street, London, SW10 3PY. The Secretary of State has power to allow a longer period for the giving of notice of an appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of an appeal.
