Date: 24th August 2011

Dear Mr Norgrove

Your permit surrender is complete

Permit reference: EPR/UP3092FR/S003

Operator: Mr Graham Norgrove

**Facility: Brownhill Skips, Gatehouse Trading Estate, Lichfield Road, Brownhills,
Walsall, West Midlands, WS8 6JZ**

I'm pleased to confirm that our determination of your application to surrender your permit is complete. We're satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility, and to return the site of the regulated facility to a satisfactory state, having regard to the state of the site before the facility was put into operation. We therefore accept the surrender. The surrender takes effect from the date of this letter.

If you're entitled to a refund of previously paid subsistence fees our Finance department will arrange this.

If you want to carry out any activities that need an environmental permit you must apply for a new one. If you have any questions about permitting please phone our Customer Contact Centre on 03708 506 506. They will put you in touch with a local area officer.

Yours sincerely

Joel Robson
Permitting Support Advisor

Environment Agency permitting decisions

Surrender

We have decided to accept the surrender of the permit for Brownhills Skips operated by Mr Graham Norgrove.

The permit number is EPR/UP3092FR

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document:

- explains how the operator's application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application and supporting information and permit/ notice.

Aspect considered	Justification / Detail	Criteria met Yes
The site		
Extent of the surrender application	<p>The operator has provided a plan showing the extent of the site of the facility that is to be surrendered.</p> <p>We consider this plan to be satisfactory,.</p>	✓
Pollution risk	<p>We are satisfied that the necessary measures have been taken to avoid a pollution risk resulting from the operation of the regulated facility.</p>	✓
Satisfactory state	<p>We are satisfied that the necessary measures have been taken to return the site of the regulated facility to a satisfactory state.</p> <p>In coming to this decision we have had regard to the state of the site before the facility was put into operation.</p>	✓
