Dated this

15th

day of

February

1996

Signed
Service Co-ordinator, Environmental Health & Consumer Services.

26. Any change to the details of the technically competent management in control of the facility, previously notified to the WRA, shall be notified to the WRA immediately and confirmed in writing within 14 working days.
27. In the event of the licence holder and/or any relevant person being convicted of any relevant offence (as defined in Regulation 3 of The Waste Management Licensing Regulations 1994 or any amendment to the aforementioned Regulation) then full details shall be provided to the WRA within 14 days of conviction. Such details shall include, in respect of each relevant person, the nature of the offence, the place where the conviction was heard and any sentence, fine or other penalty imposed.

Notes

These notes are for general guidance only and do not constitute an authoritative statement of the law.

Appeals

If a licence holder is aggrieved by the decision of the Authority to modify a waste management licence he may appeal to the Secretary of State in accordance with Section 43 of the Environmental Protection Act 1990.

Notice of an Appeal must be given within 6 months of the date of issue of this modification. The Secretary of State has power to allow a longer period for the giving of notice of an appeal but he will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of an appeal.

A copy of the form on which notice of an Appeal may be given is available from:-
