Environment Agency permitting decisions

Standard rule permit

We have decided to grant the permit for E.L.G. Haniel Metals Limited operated by E.L.G. Haniel Metals Limited.

The permit number is EPR/PB3231AB

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements and that the permit will ensure that the appropriate level of environmental protection is provided.

Purpose of this document

This decision document:

- explains how the application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account.

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This checklist should be read in conjunction with the Duly Making checklist the application and supporting information and permit/notice.

| Aspect | Justification / Detail | Criteria met Yes |
|------------------------------------|---|---------------------|
| Receipt of submission | | |
| Standard rules criteria met | The application meets the criteria for the standard rules identified in Part B of the application form. | ✓ |
| The site | | |
| Extent of the site of the facility | The operator has provided a plan which we consider is satisfactory, showing the extent of the site of the facility. A plan is included in the permit and the operator is required to carry on the permitted activities within the site boundary. | ✓ |
| Planning permission | We are satisfied that planning permission is in place and it is appropriate for the relevant waste operation(s) applied for. On the basis of a Planning Decision Document provided by Walsall Council, we feel that the site has sufficient planning permission to carry out the relevant waste operation. | ✓ |
| Operator competence | | |
| Technical competence | Technical competency is required for activities permitted in the standard rule set. The operator is a member of an agreed scheme. The operator satisfies the criteria in RGN 5 on Operator Competence. Since this site operated under a waste exemption prior to 5th April 2010, the nominated technically competent managers have passed the generic element of the continuing competence test. | ✓ |
| Relevant Convictions | The National Enforcement Database has been checked to ensure that all relevant convictions have been declared. No relevant convictions were found. The operator satisfies the criteria in RGN 5 on Operator | ✓ |

| Aspect | Justification / Detail | Criteria met |
|---------------------|--|--------------|
| | | Yes |
| | Competence. | |
| Financial provision | There is no known reason to consider that the operator will not be financially able to comply with the standard rules. The decision was taken in accordance with RGN 5 on Operator Competence. | ✓ |
