Annex 1: decision checklist

This checklist should be read in conjunction with the Duly Making checklist the application and supporting information and permit/ notice..

Aspect	Justification / Detail	Criteria met Yes
Receipt of submission		
Standard rules criteria met	The application meets the criteria for the standard rules identified in Part B of the application form.	✓
The site		
Extent of the site of the facility	The operator has provided a plan which we consider is satisfactory, showing the extent of the site of the facility. A plan is included in the permit and the operator is required to carry on the permitted activities within the site boundary.	✓
Planning permission	We are satisfied that planning permission is in place and it is appropriate for the relevant waste operation(s) applied for.	✓
Operator competence		
Technical competence	Technical competency is required for activities permitted in the standard rule set. The operator is a member of an agreed scheme. The operator satisfies the criteria in RGN 5 on Operator Competence.	✓
Relevant Convictions	The National Enforcement Database has been checked to ensure that all relevant convictions have been declared. No relevant convictions were found. The operator satisfies the criteria in RGN 5 on Operator Competence.	✓
Financial provision	There is no known reason to consider that the operator will not be financially able to comply with the standard rules. The decision was taken in accordance with RGN 5 on Operator Competence.	✓
